THE WEST INDIES.—*Roseau.*

LL4553

TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE

(FOR ADDRESS ONLY.)

Roseau. The capital of Dominica, one of the Leeward Islands. It is a picturesque, if somewhat dilapidated city, bearing unmistakable evidence of its French origin. There is a fine roofed market-place near the sea, the houses generally, however, being flimsily constructed of wood, with tiled roofs.

Printed in England.
